Failure to provide such information will be handled in the same manner as if it were information about the potential Account(s) Holder(s).
5.2	For an Account(s) to be opened, You are required to complete and sign the Bank Account(s) Application Form and We must accept it. For Us to accept Your application, You must provide Us with evidence of Your identity and address, authority to obtain a bank reference and any other information We may require. 5.11	In providing any documentation described above, You acknowledge that the Bank shall be relying upon such documentation for the purpose of opening the Account and for satisfying any applicable regulatory obligations. Accordingly, You represent and warrant such documents are valid, authentic and complete and have not been superseded, replaced or expired on provision to the Bank.	6.4	the proposed joint Account Holder will be added as the holder of an existing Account and they shall be treated as a Joint Account Holder of that Account.
5.12	Sole and joint Account(s) held by individuals are for personal use and shall not be used for business purposes.	6.5	Except where clause 26 applies, a joint Account Holder can only cease to be a joint Account Holder of an Account upon confirmation by all joint Account Holders of that Account. Where this occurs, the relevant Account will continue and be renamed accordingly.
5.13	We reserve the right at Our complete discretion to impose maximum or minimum balance for any Account You hold from time to time.		Where any instruction given by You or an Authorised Signatory conflicts with an instruction given by another joint Account Holder or is otherwise unclear, We may decline to act on such instruction until the instructions are confirmed, withdrawn or otherwise cancelled with the authority of all the Account Holders.
5.14	Where We notify You of a maximum balance, We will reject any deposits/transfers to the relevant Account which would result in the maximum balance being breached. Where relevant, the deposited/transferred amounts will be returned to the originating account.	6.6	If the joint Account(s) Holders are in dispute, You should tell Us as soon as possible. Once We are made aware of a dispute between the joint Account(s) Holders, or We reasonably believe there is a dispute as a result of Our own evidence, We will only accept instructions which are confirmed by each joint Account(s) Holder. Where permissible, We will let You know We have taken this action. Until We are made aware of a dispute/believe one is occurring We will carry out all instructions in accordance with this Clause 6.
5.15	Where We notify You of a minimum balance, if You fail to maintain such a balance, We will notify You of this and will have the right to close Your Account if the balance is not brought up to the minimum balance within 2 months. Whilst an Account is below its minimum balance, it will not earn any interest.	6.7	Each joint Account(s) Holder will be jointly and severally liable under the Terms of this Agreement. This means that the Bank can pursue any or all of the Account(s) Holder(s) in respect of any amount owed to the Bank in respect of the Account(s).
<b>6.</b>	<b>Joint Account(s)</b>		
6.1	An Account(s) may be opened in joint names subject to completion of the Bank Account(s) Application Form by each proposed Account(s) Holder (each a " <b>joint Account Holder</b> ").		

6.8	If one joint Account(s) Holder is unable to pay any sums due, the other Account(s) Holder(s) will be required to make payment.	7.6	Authorised Signatories that are independent financial advisers will be subject to additional requirements and obligations as detailed in the requisite authorisation form.
6.9	If Your Account(s) is held in joint names and We have provided You with an overdraft facility, You agree that We are not required to provide statements or notices to both and or each of You. If You do wish to receive individual communications please contact Your Client Relationship Officer.	7.7	
<b>7. For sole or joint Account(s)</b>			<b>For corporate entities, trusts and other legal bodies</b>
7.1	Account(s) Holder(s) may appoint authorised signatories to act with respect to the Account(s) and receive information pertaining to the Account(s) ("Authorised Signatory"). Any Authorised Signatory must be authorised by each Account Holder named on the Account. The Bank requires due diligence on any Authorised Signatory in the format prescribed by Us. We reserve the right to decline any designation of an Authorised Signatory and Our decision will be final. The Account(s) Holder(s) remains legally responsible for the Account(s).	7.8	An Authorised Signatory can be added to the Account(s) on written instruction and provision of relevant documentation confirming the authorisation of the Authorised Signatory. (e.g. board resolutions).
7.2	Authorised Signatories, where natural persons, must be of legal age (in the UK this is 18 years of age).	7.9	An Authorised Signatory will not be able to provide instructions to the Bank in relation to the Account(s) until the required due diligence has been received to the Bank's satisfaction.
7.3	Authorised Signatories do not own the Account(s) balance and in the event of death of the Account(s) Holder(s), if no Account(s) Holder(s) remains, the Authorised Signatories will have no power to operate the Account(s).	8.1	We will remove any Authorised Signatory upon receipt of written instructions from the directors, trustees or appointed controllers or from the Authorised Signatory themselves.
7.4	We will remove any Authorised Signatory upon receipt of written instructions from the Account(s) Holder(s) or from the Authorised Signatories themselves. <b>We shall not be responsible for any loss suffered by You if We act on the instructions of an Authorised Signatory if You have failed to inform Us that such party no longer acts for You.</b>	8.2	<b>Third Party Agent</b>
7.5	If any joint Account(s) Holder(s) informs Us of a dispute between any of the joint Account(s) Holder(s), We may treat such information as revoking the authorities provided under the mandate for the Account(s) for any Authorised Signatory. In that event, any further transactions, including payments by standing order, will need the authority of all the joint Account(s) Holder(s) (in accordance with Clause 6), and the use of additional services or facilities, as relevant, may be suspended.	8.3	If You wish Us to provide access to and/or take instructions from a Third Party Agent We will require separate authorisation from You to their level of access and will provide You with further terms and conditions setting out the basis of that relationship.
		8.4	You and not the Third Party Agent will be treated as Our client for the purposes of the FCA rules and the Payment Services Regulations 2017.
		8.5	Where You choose to permit a Payment Initiation Service Provider to access Your Account(s), We will treat any instruction made through that Payment Initiation Service Provider in the same way as We would treat the instruction as though it was received directly from You.
			Subject to any limitations under the Payment Services Regulations 2017, where an unauthorised transaction is made through a Payment Initiation Service Provider, or a transaction made via Payment Initiation Service Provider is defectively or incorrectly executed, We are responsible to You for restoring the debited Account to the state in which it would have been had the transaction not taken place. We may subsequently seek compensation from the relevant Third Party Agent for any amounts We refund to You.
			Where You allow an Account Information Service Provider to view Your Account(s) information,

	We will treat any data requests from it in the same way as a data request received directly from You.		including providing a loan, overdraft or other financial facilities in accordance with the Bank Account(s) Application Form.
8.6	Before giving permission to these Third Party Agents, You should confirm that they are authorised and qualified to provide their services.	10.2	Where the Account Holder is an Entity We will accept instructions from the Authorised Signatories.
8.7	You can terminate the access of a Third Party Agent immediately by contacting the relevant Third Party Agent.	10.3	We will only act on instructions authorised in accordance with the signing powers set out on the Bank Account(s) Application Form, as updated from time to time. For example, for an Account(s) held in joint names requiring both Account(s) Holder(s) to authorise the making a payment from the Account(s), We will only treat an instruction to make a payment as received when both Account(s) Holder(s) have authorised the payment to be made.
<b>9.</b>	<b>Account(s) with Minors</b>	10.4	Instructions may only be given by email (from an authorised email address you have previously notified to us), eBanking, telephone, post or fax. We will only act on complete instructions.
9.1	A minor is a person who has not yet reached legal age (being 18 years of age in the United Kingdom). We will not allow a minor to hold a sole Account(s) in their name or to act as an Authorised Signatory. A minor can be a joint Account(s) Holder(s) with an adult; however, the adult is always legally responsible for the Account(s). Only an adult can sign on the Account(s) and minors are not allowed to transact or sign instructions. Identity documentation will be required for minors and must be provided with the Bank Account(s) Application Form. By requesting an Account with a minor You consent to the Bank processing personal information pertaining to the minor in the manner described in Section 30, as such section may be amended from time to time and reflected in Our website privacy statement. You represent and warrant that You are either such minor's guardian with authority to provide consent to such processing activities, or that You have received consent from the relevant guardian(s). The consent provided may be revoked at any time by writing to Your CRO; however, Our ability to continue providing products and services to Your Account(s), where a minor is a beneficial owner or Account Holder, will be impacted.	10.5	Except where clause 10.6 applies, instructions will be deemed to be received by Us at the following times:
	When a minor reaches legal age, they will be required to write to Us to confirm if they wish to become a legal party to the joint Account(s). If so, a new Bank Account(s) Application Form will be required, signed by all Account(s) Holder(s), along with current evidence of age, identity and address.	(i)	by email - on the business day Your CRO receives the email in their inbox, provided it is received prior to 16:00 on that business day. If it is received after this time, or on a non-business day, it will be deemed to be received at the start of the next business day.
		(ii)	by eBanking - on the business day You submit the instruction on the eBanking platform, provided it is submitted prior to 16:00 on that business day. If it is submitted after this time, or on a non-business day, it will be deemed to be received at the start of the next business day.
		(iii)	by telephone - at the time when You orally give Our employee/officer/representative Your instruction; and
		(iv)	by fax - on the business day the fax is received by Us, provided it is received prior to 16:00 on that business day. If it is received after this time, or on a non-business day, it will be deemed to be received at the start of the next business day.
<b>10.</b>	<b>Operating the Account(s)</b>		We encourage You to use Our eBanking service when providing Us with payment instructions as this is the most secure method of communication.
10.1	For sole or joint Account(s) We may accept instructions signed or given to Us by You or an Authorised Signatory (as applicable) to deliver, accept or act on Your behalf in all transactions		

- 10.6 Where You inform Us that the execution of an instruction is to take place—  
 (i) on a specific day;  
 (ii) on the last day of a certain period; or  
 (iii) on the day on which You have put funds at Our disposal,  
 the time of receipt of that instruction is deemed to be the date You have informed Us of.
- 10.7 We may refuse to act on Your instructions if:  
 (i) We have reason to believe the instructions were not made by You or We suspect that they have been fraudulently made;  
 (ii) Your instructions are unclear or incomplete;  
 (iii) the instructions would be contrary to laws or regulations that apply to Us or the Account(s);  
 (iv) there are insufficient funds in Your Account(s) to carry out the instruction; or  
 (v) carrying out the instruction would result in the balance of Your Account(s) exceeding any overdraft limit currently in force.  
 We will not be responsible for any loss You may suffer if Your instruction is refused for one of the above reasons. Unless We are unable to do so because it would be unlawful, We will notify You of Our refusal, the reason(s) for it, and (if relevant) the means for correcting the matter. We will do this as soon as possible and in line with the timeframes under the Payment Services Regulations 2017.
- 10.8 The Bank may request additional information about any transaction on Your Account(s) to meet Our legal and regulatory obligations and You agree to provide such information to Us.
- 10.9 We reserve the right to withhold or suspend payments to or from Your Account(s) and/or to prevent the use of any cards/cheque books associated with your account when We are required to comply with legal or regulatory obligations or have reason to believe that the monies are linked to criminal activities or if We have reasonable grounds to believe that Your Security Details have not been kept safe or We suspect the unauthorised or fraudulent use of Your Security Details. We will notify You before taking this action and tell You Our reasons for doing so unless We are unable to contact You or to do so would compromise Our security procedures or would be unlawful. If We are unable to contact You beforehand We will, where possible, contact You and tell You Our reasons afterwards. We will not be responsible for any loss You may suffer if Your transaction is refused or delayed as a result of taking this action.
- 11. Payments into Your Account(s)**
- You may make payments into the Account(s) by:
- (i) cash deposit;  
 (ii) personal cheque in Sterling payable to the Account(s) Holder(s) which is drawn on a UK bank or building society and which is paid through the UK clearing system. Cheques that are crossed “Account(s) payee” can only be paid into an Account(s) held in the name of the payee and cannot be endorsed or paid in to another Account(s).  
 (iii) personal cheque drawn on a foreign bank in any currency and payable to the Account(s) Holder(s). Foreign cheques will be sent to the bank which has issued the cheque for payment;  
 (iv) banker’s draft;  
 (v) electronic transfer from a third party bank (e.g. SWIFT, CHAPS, BACS or Faster Payment); or  
 (i) a transfer from another Account(s) which You hold with Us.
- 11.2 When You pay cash into Your Account(s) over the counter at the Bank, the amount You pay in will be credited to Your Account(s) and available for withdrawal immediately as long as You make the payment before 16:00. If You make the payment into Your Account(s) after this time the amount will be credited to Your Account(s) and available for withdrawal from the beginning of the next Business Day.
- 11.3 Where cash is paid into Your Account(s) in a currency different from that in which the Account(s) is denominated and a currency exchange is therefore required, the amount paid in will be credited to Your Account(s) and available for withdrawal on the next Business Day(s) for all EEA currencies and major currencies e.g. US Dollars, Swiss Francs and Japanese Yen. For other currencies, the amount paid in will be credited to Your Account(s) and available for withdrawal as soon as We receive from Our agents the proceeds of converting the

	currency paid in into the currency in which Your Account(s) is denominated.	
11.4	Personal cheques in Sterling which are drawn on a UK bank or building society received from You will be paid into Your Account(s) and will clear through the UK image-based clearing system. This allows banks to clear a digital image of a cheque rather than the original paper cheque. The amount will be credited to Your Account(s) and be available for withdrawal one Business Day after We have paid the cheque in. If a cheque paid into Your Account is returned unpaid, We will tell You about it immediately and the amount originally credited to Your Account will be reversed. A cheque cleared through the image-based clearing system can be returned unpaid up to the end of the Business Day following the Business Day on which the cheque is paid in. After that date, We will not deduct the amount from Your balance unless You give Us permission to do so or You were knowingly involved in a fraud concerning the cheque or payment.  Personal cheques drawn on a foreign bank will be credited to Your Account(s) and available for withdrawal as soon as We receive the relevant amount from the foreign bank which has issued the cheque.	12.1
11.5	Where We receive electronic transfers into Your Account(s) the funds will be credited to Your Account(s) and made available to You as soon as We receive them.	12.2
11.6	When a payment is made into Your Account(s), any interest will accrue on the amount paid in from the time that the amount is credited to Your Account(s) and available for withdrawal in accordance with these Terms and Conditions.	12.3
11.7	We cannot be held responsible for delays in crediting Your Account(s) where incorrect or incomplete information has been supplied by the remitter, and We may have to return the funds to them where the relevant details have not been supplied.	12.4
11.8	In accordance with anti-money laundering procedures, funds transfers can only be accepted if the Account(s) Holder(s) is explicitly named (for example, We cannot accept cheques made out to "the Account Holder(s)").	If You request that We recover a payment that has been paid on, and according to, Your instruction We will make reasonable efforts to recover the payment. You will be required to pay a fee to cover Our costs of attempting to recover any payment which We make from Your Account(s) and We will not be responsible for any loss suffered if We are unable to retrieve it.  If You wish to instruct Us to make a payment from Your Account(s) to another person so that it is received by their account provider on a particular "value date", then You must ensure that We are deemed to receive the instruction under clause 10 in sufficient time to execute that payment in accordance with the timeframes set out in clause 12.7.

- 12.5 Where You instruct Us to make a payment, We will not debit Your Account until We are deemed to receive Your instruction. Furthermore, the debit value date for Your Account will be no earlier than the time at which the amount of the payment is debited to Your Account.
- 12.6 You cannot cancel an instruction to make a payment from Your Account(s) once it has been received by Us in accordance with clause 10 unless We agree this with You. We will only be able to agree this with You should We have time to cancel or reverse the instructed payment. Notwithstanding the above, We will not be able to cancel any payment after the end of the Business Day before the date on which the payment is to be made.
- 12.7 Where You instruct Us to make a payment from Your Account(s) in Sterling, and such payment is to be made to a recipient in the United Kingdom, or in Euro, and such payment is to be made to a recipient within the UK or the European Economic Area (EEA), We will pay the bank at which the recipient's Account(s) is held by the end of the Business Day(s) following the day on which We are deemed to receive Your payment instruction unless You made the instruction in writing, in which case We will pay the bank at which the recipient's Account(s) is held by the end of the second day following Our receipt of Your instructions.
- 12.8 For payments to Account(s) held within the UK which are not made in Sterling or Euro, We will pay the bank at which the recipient's Account(s) is held by the end of fourth Business Day(s) following the day on which We receive Your instruction. For payments to countries outside the above scenarios, different payment timescales will apply and details are available upon request from Your Client Relationship Officer.
- 12.9 Where You instruct Us to make a payment from Your Account(s) which involves a currency conversion between Sterling and Euro, We will pay the bank at which the recipient's Account(s) is held by the end of the Business Day(s) following the day on which We receive Your payment instruction provided that the recipient's Account(s) is held in the United Kingdom or an EEA country and the payment is made in Euro. For payments involving other currency conversions different payment timescales may apply.
- 12.10 Where a payment from Your Account(s) is initiated by the payee (for example, a direct debit), We will refund You the full amount of any payment made from Your Account(s) if (i) Your authorisation did not specify the exact amount of the payment or You were not provided with details of the payment at least 4 weeks prior to the debit date and (ii) the amount of the payment exceeds the amount which You could have reasonably expected, taking into account Your previous spending pattern and the circumstances of the case (but not where the amount of the payment exceeds the amount You could reasonably expect because of exchange rate fluctuations) and, (iii) You have requested a refund from Us within eight weeks of the debit date and have provided, if requested by Us, information reasonably necessary for Us to identify whether or not You are entitled to such a refund.
- 12.11 If the payee (such as a hotel or car hire company) requests that We "block" funds on Your Account(s) using a debit, credit or charge card We will only do so if You have agreed the exact amount of funds to be blocked.
- 12.12 We will not be liable to You for any loss in respect of a payment from Your Account(s) which You have not authorised Us to make, or which has been incorrectly paid, unless You notify Us without undue delay on becoming aware of the unauthorised or incorrect payment and, in any event, not later than 13 months after the date that the payment is made from Your Account(s). This does not affect Your rights under the Direct Debit Guarantee Scheme.
- 12.13 We will also not be liable to You for any loss suffered for any payment which You instruct Us to make on Your behalf and which is executed as instructed.
- 12.14 If You have reason to believe that Your Account(s) has been accessed by an unauthorised person or is subject to unauthorised use (for example, through using one of your payment methods) or that someone else may know any of Your Security Details You are required to contact your client relationship officer immediately so that We can take appropriate action. You should also report any suspected or actual misuse of Your Account(s) and/or card to the Police and co-operate with any investigation to recover or prevent further losses.

- 12.15 You can notify Us of any unauthorised transaction on Your Account(s) in writing, by telephone or by secure e-mail using Our eBanking service. Where We make a payment from Your Account(s) that You have not authorised and You have notified Us without undue delay after becoming aware of this, We will refund the amount of the unauthorised payment and, where applicable, restore Your Account(s) to the position it would have been in if the unauthorised payment had not taken place.
- 12.16 We accept responsibility for making payments from Your Account(s) correctly. We are liable if payments are made incorrectly unless We can prove that the bank at which the recipient's Account(s) is held received the payment in accordance with the timescales referred to above, in which case it will be the recipients bank that will be responsible and will need to correct the error and pay the money to the recipient. If a payment is made late due to Our error You can ask Us to make sure that the recipient's bank adds the payment to their Account(s) as if it had been made on time.
- 12.17 If We make a payment incorrectly We will, on request, make efforts to promptly recover the payment and will notify You of the outcome. Where We are liable for making an incorrect payment from Your Account(s) We will without undue delay refund the amount of the unpaid payment and, where applicable, restore Your Account(s) to the position it would have been in had the incorrect payment not taken place (for example, by refunding any charges or refunding or crediting any interest).
- 12.18 If another bank tells Us that money has been paid into Your Account(s) by mistake We can take an amount up to the amount of the mistaken payment from Your Account(s). We do not have to tell You before We do so but if We do try to check with You We can stop You from withdrawing these funds while We try to contact You. If We are not able to return money which has been paid into Your Account(s) by mistake We are required to provide information to the payers bank about You, Your Account(s) and the payment in order that the payer can seek to recover the money.
- 12.19 Should you wish to make a cash withdrawal from your Account(s), we require 48 hours' notice of the amount you wish to withdrawal. Such request will be subject to clause 17.6, the amount held in the relevant Account(s) and compliance with any imposed maximum or minimum balance for any relevant Account(s).
- 13 Debit, Credit or Charge Cards**
- 13.1 If You have been issued with a debit, credit or charge card linked to Your Account(s) You authorise Us to deduct from Your Account(s) the value of transactions which You have paid using Your respective card. We will deduct these amounts on the day on which We receive notification of the relevant transactions or, if that day is not a Business Day(s), on the next Business Day(s).
- 13.2 Cards issued by Us or third party providers and their use may be subject to additional terms and conditions issued by Us or the card provider. ## **Additional information**

<sup>1</sup>Scheme responsible for the protection of Your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of Your bank, building society or credit union should occur, Your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

<sup>2</sup>General limit of protection

If a covered deposit is unavailable because a bank, building society or credit union is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers at maximum £85000 per bank, building society or credit union. This means that all eligible deposits at the same bank, building society or credit union are added up in order to determine the coverage level. If, for instance a depositor holds a savings Account with £80,000 and a current Account with £20,000, he or she will only be repaid £85,000.

In some cases eligible deposits which are categorised as “temporary high balances” are protected above £85000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- (a) certain transactions relating to the depositor's current or prospective only or main residence or dwelling;
- (b) a death, or the depositor's marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
- (c) the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained under <http://www.fscs.org.uk>

<sup>3</sup>Limit of protection for joint Accounts

In case of joint Accounts, the limit of £85,000 applies to each depositor.

However, eligible deposits in an Account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

<sup>4</sup>Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London, EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, Email: [ICT@fscs.org.uk](mailto:ICT@fscs.org.uk). It will repay Your eligible deposits (up to £85,000) within 20 working days until 31 December 2018; within 15 working days from 1 January 2019 until 31 December 2020; within 10 working days from 1 January 2021 to 31 December 2023; and within 7 working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within 7 working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of Your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating costs (in the case of a depositor which is not an individual or a large company) within 5 working days of a request. Again, there are specific exceptions to this obligation.

In the case of a depositor which is a large company, where the FSCS cannot make the repayable amount available within 7 working days, it will, from 3 July 2015 until 1 December 2016, ensure that you have access to Your covered deposits within fifteen working days of a request containing sufficient information to enable it to make a payment, save where specific exceptions apply.

In the case of a depositor which is a small local authority, where the FSCS cannot make the repayable amount available within 7 working days, it will, from 3 July 2015 until 1 June 2016, ensure that you have access to Your covered deposits within fifteen working days of a request containing sufficient information to enable it to make a payment, save where specific exceptions apply.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under <http://www.fscs.org.uk>.
