Re: CLIENT NOTICE: Suspension of Regular Mail Due to Covid-19

Dear Client,

Due to COVID-19 related suspension of international mailing services in various countries, until further notice EFG has suspended the mailing of all communications and notices to addresses located in the jurisdictions listed on our website (<https://www.efgcapital.com/Regulatory.html>). This list will continue to be updated regularly as the situation evolves. Note that if your mailing address is in an affected jurisdiction, but you have opted for e-delivery via NetX Investor, your preferred method of contact will not change.

If you are in an affected jurisdiction and have not opted for e-delivery of either statements, confirms or tax documents, as long as we have a registered email address for you on file we will attempt to enroll you in full e-delivery across document types using NetX Investor. However, you will need to consent to this method of delivery upon logging into your NetX account (you will be prompted). If you do not have a NetX Investor account already, you will receive email instructions regarding the steps required for you to access & activate your NetX Investor account. Once you have activated your account and provided consent to receive communications and notices via e-delivery, you will be able to view, download and print your documents.

We will make reasonable efforts to contact you. However, if we are unable to obtain consent to e-delivery, and your mailing address is in an affected jurisdiction, we will hold all communications, documents and notices until sustained resumption of service to the affected jurisdiction is available (at which point we will resume delivery to you in accordance with your preferences).

We encourage you to regularly check our website to receive updates and other important information (<https://www.efgcapital.com/Regulatory.html>).

EFG is with you during these challenging times and we thank you for your continued trust. Please know that our focus remains on ensuring seamless service - our dedication and support levels to our clients and partners are unwavering as we navigate these unique times.

If you have any questions, please do not hesitate to contact your Client Relationship Officer.

Yours sincerely,

EFG Capital International Corp.
