However, the Bank may make a charge equivalent to the prevailing market cost of cancelling said deposit.

5. Opening the Account

- 5.1 We have a duty under Jersey Anti Money Laundering Regulations to obtain detailed information concerning persons who wish to open an Account with us. Please note that we are unable to open an Account for you until we have received certain required information and related documents.
- 5.2 To open an Account, you are required to complete and sign the Bank Account Application Form. You must provide us with evidence of identity and address, authority to obtain a bank reference and any other information as we may require.
- 5.3 We reserve the right to decline to open an Account for any reason and our decision will be final.
- 5.4 You agree to provide any further information or documentation we may require once your Account is opened to meet our ongoing legal/regulatory obligations.
- 5.5 The signatures that you provide on the Bank Account Application Form may be checked and verified by reference to another bank or party acceptable to the Bank and/or by reference to a signed passport and/or similar document.
- 5.6 Where the Client is a company or other legal entity such as a partnership, the Client must provide a certified true copy of its certificate of incorporation (or its equivalent as relevant) and a certified true copy of a resolution or extract resolution of the company or partnership resolving to appoint the Bank as its bankers and nominating signatories to the Account together with the Client's memorandum and articles of association, statutes or other constitutional documents, including appointments of directors (or equivalent) and a recent set of signed audited accounts. Details of shareholders or partners or similar, including a current copy of the share register or membership list is required. We may require additional information concerning the owners, controllers and/or beneficiaries of the Client where this is not evident from the documents provided above.
- 5.7 Where the Client is a trust or foundation, the trustees or founders must provide a certified true copy of a resolution or extract resolution appointing the Bank as bankers to the trust/foundation together with documents confirming

- the appointment of trustees/controllers. The trustees/controllers are also required to provide details of the settlor(s) of the trust and any protector(s) of the trust together with details of the beneficiaries to the Bank to satisfy Jersey Anti Money Laundering Regulations.
- 5.8 Where the client is any other type of entity or unincorporated association not referred to above, the Client will be required to provide documents to show who the founders, controllers and/or beneficiaries are in a format acceptable to the bank.
- 5.9 Where any documentation supplied under Terms 5.2 to 5.8 is in a language other than English, the Bank may require you to provide an appropriately certified translation of such documentation into English.
- 5.10 Sole and joint Accounts are for personal use and are not to be used for business purposes.
- 5.11 We reserve the right to impose maximum or minimum Account balances.
- 6. Joint Accounts**
- 6.1 An Account may be opened in joint names subject to completion of the Bank Account Application Form by each proposed Account Holder.
- 6.2 In relation to joint Accounts, you are required to specify in the Bank Account Application Form whether we should act on instructions from one Account Holder, every Account Holder or any other permutation of Account Holders and Authorised Signatories.
- 6.3 Each joint Account holder will be jointly and severally liable under the Terms of this Agreement. This means that the Bank can pursue any or all of the Account Holders in respect of any amount owed to the Bank in respect of the Account.
- 6.4 If one joint Account Holder is unable to pay any sums due, the other Account Holder(s) will be required to make payment.
- 7. Authorised signatories**
- 7.1 For sole or joint Accounts
If any Authorised Signatory gives instructions which conflict or appear to conflict with instructions given by another Authorised Signatory, we may refuse to accept or act on any such instructions until the instructions are confirmed, withdrawn or otherwise cancelled with the authority of all the Account Holders.
- 7.2 The Account Holder(s) may appoint additional Authorised Signatories as stated on the Bank Account Application Form or the Bank's request form. The Bank requires due diligence on any Authorised Signatory in the format prescribed by us. We reserve the right to decline any application for an Authorised Signatory and our decision will be final. The Account Holder(s) remain legally responsible for the Account.
- 7.3 An Authorised Signatory must be of legal age (at least 18 years of age). They will be given the power to sign, transact and give instructions on the Account in accordance with these Terms and Conditions.
- 7.4 An Authorised Signatory does not own the Account balance and in the event of death, bankruptcy or incapacity of the Account Holder(s), if no Account Holder(s) remain, an Authorised Signatory will have no authority to operate the Account.
- 7.5 We will remove any Authorised Signatory upon receipt of written instructions from the Account Holder(s) or from the Authorised Signatories themselves.
- 7.6 If any joint Account Holder informs us of a dispute between any of the joint Account Holders, we may treat such information as revoking the authorities provided under the mandate for the Account. In that event, any further transactions, including payments by standing order, will need the authority of all the joint Account Holders, and the use of additional services or facilities, as relevant, may be suspended.
- 7.7 For corporate entities, trusts and other legal bodies
An Authorised Signatory can be added to the Account on written instruction accepted by the Bank from the directors, partners, trustees or appointed controllers. We will require sight of the board resolutions or equivalent confirming the addition.
- 7.8 An Authorised Signatory will not be able to operate the Account until the required due diligence has been received to the Bank's satisfaction.
- 7.9 We will remove any Authorised Signatory upon receipt of written instructions from the directors, trustees or appointed controllers or from the Authorised Signatory himself.

8. Accounts with Minors

8.1 A minor is a person who has not yet reached legal age (being 18 years of age for persons domiciled in Jersey). We will not allow a minor to hold a sole Account in their name or to act as an Authorised Signatory. A minor can be a joint Account Holder with an adult; however, the adult is legally responsible for the Account. Only an adult can sign on the Account and minors are not allowed to transact or sign instructions. Identity documentation will be required for minors and must be provided with the Bank Account Application Form.

8.2 When a minor reaches legal age, they will be required to write to us to confirm if they wish to become a legal party to the joint Account. If so, a new Bank Account Application Form will be required, signed by all Account Holders, along with fresh evidence of age, identity and address. All parties will need to adhere to the Terms and Conditions that are in force at that time and will become jointly and severally responsible for the Account.

Alternatively, when the minor reaches legal age, they may wish to change the account to their sole name. If so, a new Bank Account Application Form and Terms and Conditions will be required in their sole name, along with fresh evidence of age, identity and address. A letter will need to be signed by the individual being removed from the Account confirming that they should be removed and that they have no claim on the remaining assets, and no further liabilities from the date of the letter.

9. Operating the Account

9.1 For sole or joint Accounts we may accept instructions signed or given to us by you or an Authorised Signatory to deliver, accept and/or act on your behalf in all transactions including providing a loan, overdraft or other financial facilities in accordance with the Bank Account Application Form. Where the Account Holder is an entity we will accept instructions from the Authorised Signatories. We will only treat instructions as received by us when they have been received by us and are authorised in accordance with the signing powers set out on the Bank Account Application Form, as updated from time to time. For example, for an Account held in joint names requiring both Account Holders to authorise the making of a

payment from the Account, we will only treat an instruction to make a payment as received when both Account Holders have authorised the payment to be made.

9.2 You authorise us to process all cheques and other instructions for payment, signed or given by you or an Authorised Signatory in accordance with the signing procedures specified in the Bank Account Application Form whether the Account is in debit or credit and without prejudice to the Bank's right to refuse to allow any unauthorised overdraft.

9.3 The Bank may request additional information about any transaction on your Account to meet our legal and regulatory obligations and you agree to provide such information to us.

9.4 We reserve the right to withhold or suspend payments to or from your Account in our sole and absolute discretion and without giving any reason or being liable for any loss that may be occasioned thereby. For example, this may include but is not restricted to where we consider it necessary to comply with legal or regulatory obligations or have reason to believe that the monies are linked to criminal activities or if we have reasonable grounds to believe that your security details have not been kept safe or to suspect the unauthorised or fraudulent use of your security details.

9.5 Notwithstanding and without limiting Terms 9.3 or 9.4, we may take any action we consider appropriate in our sole and absolute discretion to meet our legal or regulatory obligations in connection with the detection, investigation and prevention of Financial Crime ("Financial Crime Discretionary Action") which may include but is not limited to:

- screening, intercepting and investigating any instruction, communication, drawdown request, application for banking services, or any payment sent to or by the Account Holder(s) or on their behalf;
- investigating the source of or intended recipient of funds;
- combining Client information with other related information in our possession;
- making further enquiries as to the status of a person or entity, whether they are subject to a sanctions regime, or confirming the Account Holder's identity and status;

- consulting with, and/or seeking consents from, the Authorities in relation to the execution by us of any instruction, communication, drawdown request, application for banking services, or any payment sent to or by the Account Holder(s) or on their behalf; and/or
- withholding or suspending payments to or from your Account, including (without limitation) where such consent sought from the Authorities is not granted but no formal freezing order is in place.

You acknowledge and agree that any Financial Crime Discretionary Action carried out by us may result in us delaying, blocking or refusing any payment or the provision of all or part of the banking services in accordance with the Agreement (including, for the avoidance of doubt, closing your Account in accordance with Term 22) and we shall not be liable to the Account Holder or any third party in respect of any losses or costs suffered or incurred by, or any action or suit brought by, the Account Holder or a third party in connection with any Financial Crime Discretionary Action or such consequences thereof.

- 9.6 We may notify you before taking any action contemplated in Term 9.4 or 9.5 and tell you our reasons for doing so unless we are unable to contact you or to do so would, in our sole and absolute discretion, be unlawful or compromise our security procedures. If we are unable to contact you beforehand, we will, where possible, contact you and tell you our reasons afterwards.
- 9.7 Sole and joint Account Holders must notify the bank in writing if they have changed their residential or mailing address. The Bank will require a letter signed by the individual whose address has changed stating the new address, along with an original or certified copy of a recent utility bill or bank/credit card statement showing your new address.
- 9.8 Corporate or other Entity account holders must notify the bank in writing if there has been a change to any of the following, and should supply a certified copy of all relevant documentation to support these changes:
- Mailing address
 - Company/entity name
 - Shareholder or additional settlor to a trust

- New beneficiaries
- Directors/trustees/controllers/protectors/signatories.

The Bank reserves the right to suspend all transactions on the account until certified copies of documents are received to support any of the above changes.

10. Payments into your Account

10.1 You may make payments into the Account by:

- personal cheque in Sterling payable to the Account Holder which is drawn on a UK bank or building society and which is paid through the UK clearing system. Cheques that are crossed “account payee” can only be paid into an Account held in the name of the payee and cannot be endorsed or paid into another Account.
- personal cheque drawn on a foreign bank in any currency and payable to the Account Holder. Foreign cheques will be sent to the bank which has issued the cheque for payment;
- banker’s draft;
- electronic transfer from a third party bank (e.g. SWIFT, CHAPS, BACS or Faster Payment); or
- a transfer from another account which you hold with us.

10.2 Personal cheques in Sterling which are drawn on a UK bank or building society and which are paid through the UK clearing system will be credited to your Account and available for withdrawal once they have cleared. The amount of any personal cheque in Sterling which is drawn on a UK bank or building society and which is paid through the UK clearing system which you pay into your Account will be credited to your Account and be available for withdrawal four Business days after you have paid the cheque in but this does not necessarily mean that the cheque has been paid by the paying bank. If the cheque is returned without being paid after we have credited your Account with the amount of the cheque, we may debit your Account by the amount of the cheque unless six Business days have passed since you paid the cheque into your Account. After six Business days have passed, we will not take the money out of your Account unless you have been party to fraud. Personal cheques drawn on a foreign bank will

- be credited to your Account and available for withdrawal as soon as we receive the relevant amount from the foreign bank which has issued the cheque.
- 10.3 To the extent permitted by law from time to time we may alter the way we clear cheques, and this may include but will not be limited to:
- permitting cheques to be paid in by sending an image of the cheque (for example using an application or other technology which we accept);
 - introducing a faster clearing process which will lead to some cheques being cleared within 2 working days;
 - clearing cheques using an image of the cheque rather than a paper version meaning that we will not receive the physical, original paper cheque and cannot provide paper copies of the cheque.
- 10.4 Where we receive electronic transfers into your Account the funds will be credited to your Account and made available to you for the value date of those funds.
- 10.5 When a payment is made into your Account, any deposit interest (paid or charged) will accrue on the amount paid in from the time that the amount is credited to your Account and available for withdrawal in accordance with Terms 10.2 to 10.4.
- 10.6 We cannot be held responsible for delays in crediting your Account where incorrect or incomplete information has been supplied by the remitter. We may have to return the funds to them where the relevant details have not been supplied.
- 10.7 In accordance with anti-money laundering procedures, funds transfers can only be accepted if the Account Holder is explicitly named (for example, we cannot accept cheques made out to “the account holder”).
- 11. Withdrawals and payments from your Account**
- 11.1 To make a withdrawal or payment from your Account you must instruct us in writing, by telephone to our office or in person at our office or by secure e-mail using our e-banking service. If you have used e-mail to provide written instructions, you accept the risks of communicating to us in this way as outlined in Term 21.
- 11.2 We may refuse to act on your instructions in our sole and absolute discretion and without giving any reason or being liable for any loss that may be occasioned thereby. For example, this may include but is not restricted to where:
- We have reason to believe the instructions were not made by you or we suspect that they have been fraudulently made;
 - Your instructions are unclear or incomplete;
 - The instructions would be contrary to laws or regulations that apply to us or the Account.
 - We choose to do so in accordance with Terms 9.4 and 9.5.
- We reserve the right to refuse payment where there are insufficient funds in your Account, or the payment would result in the balance of your Account exceeding any overdraft limit currently in force.
- 11.3 If you want us to make a payment from your Account to another person you must provide us with details of the name of the payee and the sort code and account number (or international bank account number (IBAN)) or equivalent details of the payee’s account to which you wish the payment to be made. You should also tell us the amount of the payment and the currency in which the payment is to be made and, if you hold more than one Account with us, which Account you would like the payment to be made from. Where you do not supply the correct payment details (for example, you provide the wrong account number or sort code for the payee), we will not be liable for failing to make a payment or making a payment incorrectly on the basis of the information which you provide to us, but we will make reasonable efforts to recover the payment if you tell us that the payment has not been received. You will be required to pay a fee to cover our costs of attempting to recover any payment which we make from your Account where you have provided incorrect payment details.
- 11.4 The time of receipt of any instruction which you give us will be the time we receive your instruction unless it is an instruction to make a payment in the future (refer to Term 11.5) or unless the instruction is received by us after 15:30 on a Business day or on a day which is not a Business day, in which case the instruction will be treated as received by us at the start of the next Business day.

- 11.5 If you instruct us to make a payment in the future, your instruction will be treated as received by us on the date on which the payment is to be made by us to the recipient's bank. If you instruct us to make a payment from your Account to another person with a particular "value date" then we will make the payment in time for it to be received by the recipient's bank in time for it to be credited to the recipient's account on the value date you have specified (in respect of which the timescales for doing so are set out in Terms 11.7 and 11.8) and your instruction will be treated as being received by us on the date that we make the payment to the recipient's bank. If you instruct us to make a payment from your Account with a particular value date, we will debit the amount from your Account on the date when we make payment to the recipient's bank but interest (to be paid or charged) will continue to accrue on the amount of the payment until the value date.
- 11.6 With the exception of payments to be made in the future, you cannot cancel an instruction to make a payment from your Account once it has been received by us unless we agree this with you. In relation to instructions which you have given us to make a payment from your Account in the future you may not cancel this instruction after the end of the Business day before the date on which the payment is to be made. If you wish to cancel a payment from your Account you can do this by writing to us, telephoning us or sending us a secure e-mail using our e-banking service. We will endeavour to carry out any request to stop any cheque which you have written if we have not already paid the amount of the cheque to the payee's bank. We will make a charge for stopping any cheque which you have written and details of our charges for doing this are set out on our tariff.
- 11.7 Where you instruct us to make a payment from your Account in Sterling or Euro, and such payment is to be made to a recipient in the United Kingdom or within the European Economic Area (EEA), we will pay the bank at which the recipient's account is held by the end of the third Business day following the day on which we receive your payment instruction. For payments to accounts held within the EEA which are not made in Euro or Sterling, we will pay the bank at which the recipient's account is held by the end of fourth Business day following the day on which we receive your instruction. For payments to countries outside the EEA, different payment timescales will apply and details are available upon request from your Client Relationship Officer.
- 11.8 Where you instruct us to make a payment from your Account which involves a currency conversion between Sterling and Euro, we will pay the bank at which the recipient's account is held by the end of the third Business day following the day on which we receive your payment instruction provided that the recipient's account is held in the United Kingdom or another EEA country and the payment is made in Euro. For payments involving other currency conversions different payment timescales may apply.
- 11.9 Where a payment from your Account is initiated by a Direct Debit, under the Direct Debit Guarantee we will immediately refund you the full amount of any payment made from your Account following any error made by ourselves or the originator.
- 11.10 We will not be liable to you for any loss in respect of a payment from your Account which you have not authorised us to make, or which has been incorrectly paid, unless you notify us without undue delay on becoming aware of the unauthorised or incorrect payment and, in any event, not later than 13 months after the date that the payment is made from your Account. This does not affect your rights under the Direct Debit Guarantee Scheme. You can notify us of any unauthorised transaction on your Account in writing, by telephone or by secure e-mail using our e-banking service. Where we make a payment from your Account that you have not authorised and you have notified us without undue delay after becoming aware of this, we will refund the amount of the unauthorised payment and, where applicable, restore your Account to the position it would have been in if the unauthorised payment had not taken place.
- 11.11 We accept responsibility for making payments from your Account correctly. We are liable if payments are made incorrectly unless we can prove that the bank at which the recipient's account is held received the payment in accordance with the timescales referred to above. If we make a payment incorrectly, we will, on request, make efforts to promptly recover the payment and will notify you of the outcome.

Where we are liable for making an incorrect payment from your Account we will without undue delay refund the amount of the unpaid payment and, where applicable, restore your Account to the position it would have been in had the incorrect payment not taken place (for example, by refunding any charges or refunding or crediting any interest).

- 11.12 If you have been issued with a debit card or credit card or charge card linked to your Account, you authorise us to deduct from your Account the value of transactions which you have paid using your card. We will deduct these amounts on the day on which we receive notification of the relevant transactions or, if that day is not a Business day, on the next Business day.
- 11.13 If you write a cheque to be paid from your Account, you must put the actual date on it. If you write a future date on it, we may still pay the cheque and will not be liable to you for any loss which you suffer as a result.
- 11.14 You must not alter or delete any of the printed words on your cheques, but we may still pay a cheque even if you have changed or deleted any of the printed words.
- 11.15 We may pay a cheque which you have written even if the date on the cheque is more than six months ago.
- 11.16 Cheques which you have not used belong to us and we may ask you to return them to us. For example, we may ask you to return any unused cheques to us if your Account is closed or if we believe that the cheques are being used by someone else or if we need to replace them for technical, security, legal or regulatory reasons.
- 12. Overdrafts**
- 12.1 On your request, we may grant an overdraft or loan facility on your Account. The terms and conditions for such a facility will be covered under a separate agreement. Any overdraft which we grant you will be repayable by you on our demand.
- 12.2 If your Account becomes overdrawn and an overdraft facility has not been agreed in advance or you exceed an agreed overdraft limit already in place, we can charge a fee and higher interest rates will apply as stated on our tariff in force from time to time.
- 12.3 The Bank reserves the right to withdraw any on demand facility with immediate effect. If the Bank does so, you will be liable to repay any

amount which you have borrowed immediately, together with any applicable interest and charges.

- 12.4 Interest rates applicable to overdrafts are set by reference to the Rate Sheet published on the Bank's website (<https://www.efgl.com/Our-solutions/Products-and-services.html>). The Bank's relevant Reference Rate will be automatically adjusted when there is a change to the market standard reference rate on which the Bank's Reference Rate is based. If the basis of calculating the Bank's relevant Reference Rate changes we will normally give you at least two months' advance notice of this, unless the change is favourable to you, in which case the change will be effective as at the date of the notice or such later date as may be specified.
- 12.5 Where debit interest (paid or charged) is applied, interest will continue to accrue (and will therefore increase the amount owed) until any overdrawn amount is cleared together with the interest charged on it.
- 13. Service Charges**
- 13.1 Each Account and any instructions accepted by us shall be subject to our service charges. Details of our current service charges are set out on our tariff. Details of our current tariff and applicable interest rates are attached to these Terms and Conditions and are also available from us on request.
- 13.2 You shall pay when due, and the Bank shall be entitled to debit from your Account, interest and charges calculated and due in accordance with the Bank's interest rates, service charges and tariffs.
- 14. Interest and Tax**
- 14.1 If you hold more than one Account with us, each Account will be treated separately for the purposes of calculating interest and tax.
- 14.2 Credit and debit interest on Accounts is calculated daily by applying the appropriate rate of interest to the cleared balance on the Account as at the end of each day. Interest is applied quarterly in arrears on the first day of the following quarter unless otherwise agreed with you. If you close your Account, any accrued interest will also be applied to your Account on the date you close your Account.
- 14.3 Interest rates may be positive, zero or negative. Deposit interest rates are published on our rate sheet for deposit products that can be provided

upon request by your Client Relationship Officer. Current Account rates, the EFG Bank Rate and the Reference Rate are made available on the Bank's website (<https://www.efgl.com/Our-solutions/Products-and-services.html>).

14.4 We may make such deductions from the Account in respect of taxation as are required by law to be made.

14.5 Where these Terms and Conditions refer to any particular tax treatment or rate of interest which is payable, that treatment or rate may depend on your individual circumstances and may be subject to change in the future. You may be liable for taxes or costs which are not paid via us or imposed by us. If you are unsure about your tax position you should consult your professional adviser.

14.6 Where we make a payment from your Account or receive a payment into your Account which involves a currency exchange, we will convert the relevant currencies at our prevailing rate at the time the payment is made or received. Details of how our prevailing rate is calculated are set out on our tariff.

15. Protecting your Account

15.1 Any debit, credit or charge cards issued by the Bank to the Account holder/s (whether EFG branded or third party branded) will be subject to card specific agreements and the associated terms and conditions for those cards.

15.2 If you have reason to believe that your Account has been accessed by an unauthorised person or is subject to unauthorised use you are required to contact us immediately so that we can take appropriate action. You should also report any suspected or actual misuse of your Account and/or card to the police and co-operate with any investigation to recover or prevent further losses.
